

ANNUAL REPORT NEWSLETTER
October 2014 – September 2015

Published November 2015
...with current news & opportunities

A Personal Note...

From Executive Director,
Jeanne Buffington

During a recent professional training, I was discussing our work with survivors and the services provided by Rape Response. It made me realize just how much growth we have recently experienced.

In 1988 Rape Response began providing services in Dawson, Habersham, Hall, Lumpkin and White Counties. In 2012, seeing our Forsyth numbers increasing and recognizing Forsyth County didn't have a dedicated Sexual Assault Center, we began building collaborative relationships and providing services there.

In 1993 a prevention education program was created and taught to 8th grade students in middle schools. This school year our 8th grade curriculum *Keeping it Safe* will be taught in 15 schools, *Healthy Relationships* will be taught to 7th graders in 12 schools and our *Smart Response* parent education program has been taught in 4 of our 6 counties already this fall. We are active on every college campus and technical school in our service area and are getting more requests for high school prevention programs.

In 2015 our Sexual Assault Response Team (SART) included professionals from 4 of our 6 counties and Rape Response provided administrative support to Chief Judge Murphy Miller in the creation of the Enotah Judicial Circuit Sexual Assault Protocol.

While this growth has been exciting, our priority remains direct victim services for survivors of sexual assault. Whether the assault occurred 10 minutes, 10 days or 10 or more years ago, Rape Response is available and ready to provide support as survivors recover from the sexual assault. It is truly an honor and privilege to walk with and support survivors throughout the medical, law enforcement and judicial processes.

Support from donors is allowing for increased staff to meet the growing needs of survivors and our communities. Thank you to all who make it possible for us to remain faithful to our mission – providing support, advocacy and education... We could not do this work without your support!

Welcome New Board Members!

More Than a Crisis Line...

Rape Response is a nonprofit agency providing 24/7 services to sexual assault survivors ages 13 and older in Dawson, Forsyth, Habersham, Hall, Lumpkin and White counties. Advocacy in action for 2015 included:

- **Crisis calls answered 390**
- **Face-to-face crisis interventions** supported survivors as they processed the sexual assault and equipped them with essential tools needed on their path to recovery **62**
- **Information and referrals** connected survivors to their community for continued support and healing **470**
- **Hospital accompaniment** provided support to survivors at the hospital during sexual assault forensic medical exams **68**
- **Follow up calls** extended emotional support to survivors to address ongoing issues **377**
- **Aftercare** referrals and information offered survivors health care exams for STIs paid for by Rape Response and provided by local health departments **83**
- **Victims' compensation fund** referred survivors for information and application regarding reimbursement for medical expenses or counseling costs **83**
- **Personal advocacy** helped survivors to navigate health care, law enforcement, criminal justice and other social service agencies **380**
- **Prevention education** provided to **3,782** middle school students and **2,431** high school and college students
- **Court accompaniment** supported survivors during pre-trial and trial activities **21 days**
- **Collaborations** participated in interagency and professional engagement opportunities to benefit survivors **101 agencies/over 350 referrals**

Volunteer Advocates dedicated more than 864 hours in 2015!

Back L-R: Madeline P., Tiffany M., Brianna R., Karen R., Brad R.,
Ashley S., Sarah D.; Not pictured: Marjorie C.

RR welcomed 14 new volunteers in 2015!

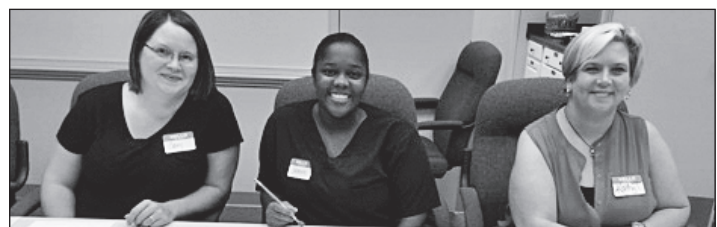

"I love volunteering with RR because there is something very healing for these survivors in the fact that they are not alone in their process. We are there for them. We are there to listen. To provide an encouraging ear. To believe them. But most importantly, to just sit with them."
