An annual sponsorship of Bridging Hope helps ensure sexual assault survivors in our community have ongoing access to free emergency services such as crisis line, advocacy, forensic medical exams, counseling, and prevention education. Annual sponsorship packages will receive reserved seating at the indicated level for our signature Bingo & Bubbly event in the spring (3/28/26). This event sells out each year and is our agency's primary fundraiser. For more information on becoming an annual sponsor contact Jen (jen@bridginghopega.org) or scan the QR code to donate.
